WELCOME!

Hello!
Welcome to the family
activity fun pack!

Sanibonani bangani abancane!
Siyanamukela kwimidlalo yethu!
Lena imidlalo eningayidlala
emundenini!

We are Florence and Watson, honey badgers of a very rare sort. Singing songs while telling stories is our favourite sport.

Everyone has been having a tough time since schools have been closed, so we got together with our friends -- Petal the mouse, Lula the giraffe and Buffel the buffalo -- to make this pack to help families with learners in grades 1 to 5.

National and Provincial education departments are working hard to bring educational resources to children, and we encourage parents and older siblings to assist younger children to do their schoolwork. This pack focuses instead on fun games and enrichment activities to help children get active and creative while they are at home. We hope this resource will bring households together, to learn more about COVID-19, and help each other feel supported and safe.

Take the cover off the book; on the inside you'll find a board game. Cut out the 6 character tokens and the dice. To construct the dice, fold along all the lines, and glue the flaps. The board game instructions are embedded in the game; the objective is to race your household members to the finish line!

As your family works through the activity challenges, please share with us! Send messages, photos or video clips to this number via Whatsapp 061 332 4349. We hope that you'll find it interesting and fun!
